

INSTRUCTIONS NOT YET COMPLETED

Really sorry! I haven't finished all the instructions for this task yet!

I hope to have all the sets of instructions done by Monday the 8th March.

Till then please liase with me on (0404 466 412, konrad@steinmuller.com) as to what your exact role requirements are.

In general the most important thing with any of the jobs is to make sure that everything is cleaned up, put away, and locked up at the end of the day.
